PROSPERA

We Promise;

About:

When professionals come together

Prospera is one of the world's leading suppliers of top quality percussive rock drilling tools. Our high-performance products include drifter parts, Drill rig parts, drill bits, DTH bits and hammers, shank adapters and other drill tool accessories. With distribution centers on nearly every continent Prospera provides a wide range of tools to mining, construction, tunneling, quarrying, and water well projects from Europe to Asia, Africa to America.

For more than 30 years, our trade corporation professional staff and management team has been serving customers worldwide. Today we bring to our customers the most advance and reliable line of products. We work close with our highly experience team of professionals and manufacturer to deliver the most unparalleled top quality products and service to our customers.

We have a team who are professional in Atlas Copco, Sandvik, Ingersoll Rand, drilling machines who worked with these giant brands for decades.

We are committed on assisting you with a comprehensive portfolio of products and intended for your specific need and requirements

We pride ourselves on the ability to work with companies of all sizes, and in distinctly different industries and environments. From single drill-rig operators to multinational construction firms, we ensure that our worldwide clients have quick access to our service, manufacturing and marketing expertise.

Prospera has several branch offices in Dubai, Istanbul, Ankara, Austria, and South Korea. Prospera focuses on 80% Drifter parts, and 20% on drill rigs parts , accessories, and tools such as bits and hammers, for top hammer, DTH and rotary rigs of world famous brands such as Atlas Copco, Sandvik, Ingersoll-Rand, Junjin, Soosan, Furukawa drilling rigs, Genuine and aftermarket parts with 100% Prospera professional guarantee applied to worldwide market.
